01 About Us

Cloud Gemini Electronics Corporation (CGE) is a Philippine-based electronics and IT solutions company established on **February 18, 2026** by **Engr. Charles Allan Juan, EcE, EcT** and **Gemmalyn Juan, RN, LPT**. We are a one-stop-shop for businesses and consumers seeking quality electronics, computers, networking equipment, office systems, and business automation tools.

Registered with the Securities and Exchange Commission of the Philippines, CGE serves clients from Luzon, Visayas, and Mindanao. Our portfolio spans consumer electronics, enterprise networking, security systems, solar energy systems, and managed IT services — all backed by professional after-sales support.

We operate through our flagship e-commerce platform at **cloudgeminiph.com** alongside our physical branches, enabling customers to seamlessly browse, order, and receive their purchases wherever they are.

02 Mission, Vision & Purpose

📋 Mission

To deliver dependable, innovative, and cost-effective electronics and IT solutions that empower our customers and fuel their growth — with integrity, expertise, and genuine service at every touchpoint.

📋 Vision

To be the most trusted electronics and technology company in the Philippines, recognized for our commitment to quality, customer-first culture, and contribution to the nation's digital transformation.

★ Purpose

Enabling businesses and individuals to reach their full potential through the right technology, professional guidance, and lifetime customer relationships — one solution at a time.

03 Core Values

Integrity

We operate with unwavering honesty, transparency, and ethical conduct in every transaction and relationship.

Customer Focus

Every decision we make places our customers at the centre — their success is our success.

Excellence

We pursue the highest standards in our products, services, and after-sales support — no shortcuts.

Innovation

We continuously improve our offerings, systems, and processes to stay ahead in a rapidly evolving technology landscape.

Teamwork

We cultivate a collaborative environment where every team member contributes and is valued.

Sustainability

We conduct business responsibly, mindful of our environmental and social impact for future generations.

04 Products & Services

🖨️ Computers & Laptops

Business workstations, laptops, and peripherals from leading global brands for professional and enterprise use.

🌐 Networking & Connectivity

Routers, switches, access points, structured cabling, and full LAN/WAN deployment for offices and enterprises.

🔒 Security Systems

IP CCTV cameras, NVRs, access control, and biometric solutions tailored for homes, offices, and commercial properties.

🖨️ Office Equipment

Printers, copiers, scanners, UPS systems, and consumables sourced from authorised distributors nationwide.

⚙️ Managed IT Services

IT audits, network design, hardware deployment, on-site support, and annual maintenance contracts for SMEs.

🏪 Business Solutions

POS systems, barcode readers, receipt printers, cash drawers, and integrated retail automation packages.

☀️ Solar Energy Systems

Residential & commercial hybrid solar — 670W panels, Solis inverters, and Pylontech batteries.
